

Contract Information Added to the ME2K, ME2L, and ME2N Reports

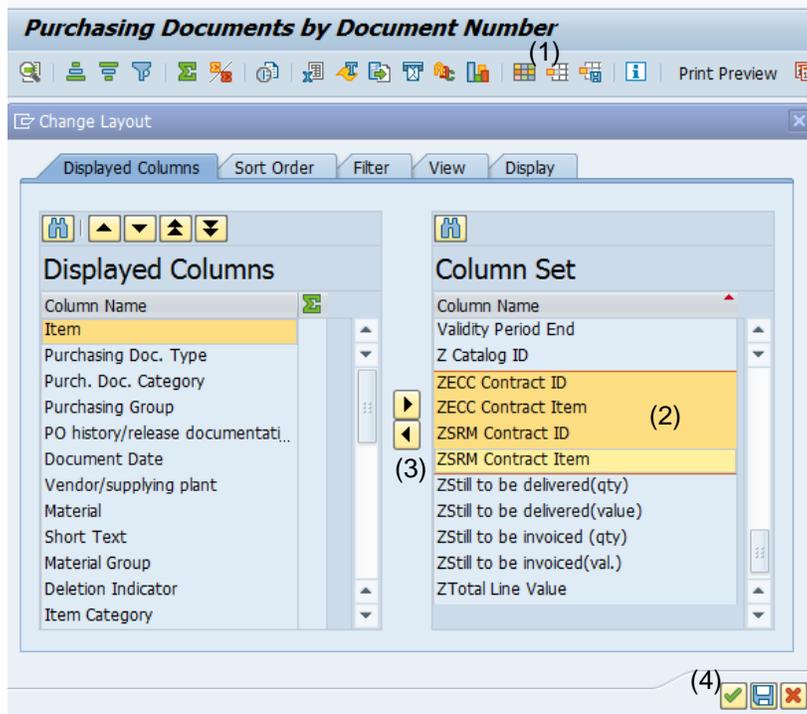

The following four new fields have been added to the ME2K, ME2L, and ME2N reports:

Field	Additional Information
ZSRM Contract Number	Contract number in SRM
ZSRM Contract Line Number	Line number in SRM
ZECC Contract Number	Contract number in ECC*
ZECC Contract Line Number	Line number in ECC*

To include the new fields in your report layout:

- 1.) Select the 'Change Layout' icon 
- 2.) Highlight the fields from the **Column Set**
- 3.) Click the  arrow to move them to the **Displayed Columns**
- 4.) Click the green check 

When the report is executed, the fields will be displayed.

Type	Σ	To be inv.	Net price	ZECC Contract ID	ZECC Contract Item	ZSRM Contract ID	ZSRM Contract Item
------	---	------------	-----------	------------------	--------------------	------------------	--------------------

*ECC field information is only applicable if the contract has distributed to ECC.
